Tainted Love

Sometimes I feel I've got to Run away I've got to Get away From the pain that you drive into the heart of me The love we share Seems to go nowhere And I've lost my light For I toss and turn I can't sleep at night Once I ran to you (I ran) Now I'll run from you This tainted love you've given I give you all a girl could give you Take my tears and that's not nearly all Oh...tainted love Tainted love Now I know I've got to Run away I've got to Get away You don't really want IT any more from me To make things right You need someone to hold you tight And you'LL think love is to pray But I'm sorry I don't pray that way Once I ran to you (I ran) Now I'll run from you This tainted love you've given I give you all a girl could give you Take my tears and that's not nearly all Oh...tainted love Tainted love Don't touch me please I cannot stand the way you tease I love you though you hurt me so But I'm gonna pack my things and go, Tainted love Tainted love Tainted love Tainted love Baby, baby.. baby dont leave me ooo please dont leave me, all by myself I've got this burnin', yearnin', yearnin' feelin inside me. Ooohh deep inside me, And it hurts so bad... You came into my heart so tenderly, With a burning love, That stings like a bee... Now that I've surrendered so helplessly, You now wanna leave, oo you wanna leave me... Oh baby, baby, where did our love go? Oh don't you leave me, Don't you leave me no more...
