

# It's The Same Old Song

Pussycat

You're sweet as a honeybee, but like a honeybee stings  
You've gone and left my heart in pain  
All you left is our favorite song, the one we danced to all night long  
It used to bring sweet memories of a tender love that used to be

Now, it's the same old song  
But with a different meaning since you've been gone  
It's the same old song  
But with a different meaning since you've been gone

My, oh my, a sentimental fool am I  
To hear a old love song and wanna cry  
But the melody keeps haunting me  
Reminding me how in love we used to be  
Keep hearing the part that used to touch our hearts  
Staying together forever, breaking up never

It's the same, same old song  
But with a different meaning since you've been gone  
And it's the same, same old song  
But with a different meaning since you've been gone  
My, my, my

Precious memories keep a lingering on  
Every time I hear our favorite song  
Now you've gone, left this emptiness  
I only reminisce the happiness we spent  
We used to dance to the music, make romance to the music

Now, it's the same, same old song  
But with a different meaning since you've been gone  
Now, it's the same, same old song  
But with a different meaning since you've been gone  
My, my, my

Well, it's the same, same old song  
But with a different meaning since you've been gone  
It's the same, same old song  
But with a different meaning since you've been gone

Yeah, it's the same, same old song  
But with a different meaning since you've been gone  
Now, it's the same
