

## The Walls Of Xanadu

Pussycat

Pull down the walls of Xanadu  
They keep rising up in front of you  
Pull down the walls of Xanadu  
I'm longing to be with you  
I'm longing to be with you

If the walls of Xanadu  
Are risin' up in front of you  
Darlin' here's what I would do  
I'd pull them down to be with you

Every wall's another lie  
Of only reason, only reason  
Watch the seasons as they fly  
Get through the walls of Xanadu

Now life created may ways  
For men to stay alive  
But happiness takes more than one  
Who's willin' to survive  
Who's walkin' to the morning sun  
Who's walkin' to the morning sun

If the walls of Xanadu  
Are risin' up in front of you  
Darling here's what I would do
