

# Wet Day In September

Pussycat

Wet days in September  
Raindrops fallin' tender  
As I stare outside my window  
And I see the clouds are passin' by.  
I am feelin' lonely -  
Uh  
I love you  
uh  
I want you  
Uh  
I need you so I think I'll die.

And as I fall asleep  
All the tears I weep  
Are because  
Uh  
I love you  
Uh  
I want you  
Uh  
I need you so I think I'll die.

But there's the morning sun  
And all wakes up that I can be fun  
Then all my dreams are gone.  
But how can I dream when you're gone my love  
And you're makin' love  
With every girl  
But not with me?  
Yes times have been changed since you went away  
That I heard you say:  
I love you  
I need you  
So much I think I'll die.  
Yeah  
I love you need you.  
So much I think I'll die.

Why must I remember  
Every wet day in September?  
Just because  
Uh  
I love you  
Uh  
I want you  
Uh  
I need you so I think I'll die.  
But there's the morning sun...  
But how can I dream when you're gone my love...
