## Wet Day In September

Wet days in September Raindrops fallin' tender As I stare outside my window And I see the clouds are passin' by. I am feelin' lonely -Uh I love you uh I want you Uh I need you so I think I'll die. And as I fall asleep All the tears I weep Are because Uh I love you Uh I want you Uh I need you so I think I'll die. But there's the morning sun And all wakes up that I can be fun Then all my dreams are gone. But how can I dream when you're gone my love And you're makin' love With every girl But not with me? Yes times have been changed since you went away That I heard you say: I love you I need you So much I think I'll die. Yeah I love you need you. So much I think I'll die. Why must I remember Every wet day in September? Just because Uh I love you Uh I want you Uh I need you so I think I'll die. But there's the morning sun... But how can I dream when you're gone my love...
