

The Pain of Heartache

Pyogenesis

You don't have
many good feelings left for me
So hard I'm trying
to convince you to give us time
You say you don't
love me the way a lover should
And in the end I
even tried harder than I couldPain of a heartache
Pain of a heartache
Pain of a heartache"We may stay friends"
That's not enough as you might guess
I can't continue
without your hugs without your kiss
I feel ashamed
So many things I'd change I would
And in the end I
even tried harder than I couldPain of a heartache
Pain of a heartache
Pain of a heartache
