Q-Tip

Uh.. check it out now  
Uh.. no doubt now  
Uh.. yo, check it out now  
Uh.. no doubt yo

Special girl, real good girl  
Biggest thing in my itty bitty world  
Called her up and she made me feel right  
Wish for bliss could never take flight  
Sittin back with this mic in my hand  
Spittin hot shit tryin to see grand  
Imprinted on my mind every minute  
Make my plans and you always in it, yo  
    Uhh, such a vivrant thing  
    Vivrant thing, a vivrant thing  
And even though we both fly  
Give each other space and not the evil eye  
Actin like grownups  
Don't even try to hide cause the spot blown up  
Girlfriend tellin you she wanna see  
I say 'I dunno' but you say 'Gladly'  
And when we both do hit  
We go on and on and on and on and on and  
Sweeter than Ben & Jerry  
Can I rhyme? Well you know I gets mine  
Sittin round in my abstract car  
This abstract thing goin abstract far, yo  
    Uhh, such a vivrant thing  
    Vivrant thing, a vivrant thing  
    Yo.. such a vivrant thing  
    Vivrant thing, a vivrant thing  
Look at you, look at me {repeat 2X}  
    Check it, yo - check it, huh  
    Yo, check it - uhh, yo  
    Yo.. such a vivrant thing  
    Vivrant thing, a vivrant thing  
Look at you, look at me {repeat 2X}  
    Yo, check it, yo, check it  
    Yo, check it, yo yo yo  
    Yo.. such a vivrant thing  
    Vivrant uh, uhh-uhh, uh

Gettin back to my MC status  
All the Willie that I kick make the other niggaz mad it's  
movin, to your town and situation  
Shorty thought she subtle but she really was blatant when she  
shook her thing and violated  
Now these wolf-like thoughts are formulated  
I'm sayin, "Yo is this some heartfelt shit here?  
Am I strong-backed nigga? Well shit yeah  
Plus we can hold a convo'  
or go to the movies, my crib, whatever yo  
Just wanna see you by my side"  
We on 95, know the stash is in the ride  
A rappin nigga for real  
You would find me in a cypher if I didn't cop a deal  
Rap slate like big weight

You buy, I sell, we split big cake  
Uh uh, just move your little thing  
Move it around and shake your little thing  
Uh uhh
