when i finally realized couldn't believe it  
i couldn't, even swallow  
had a lump in my throat my stomach hollow  
i had a notion that things were fishy  
but everything was fine so i'd be pissy  
but when you wasn't seeing me nights you get in  
thats when the snoopin and shit it would begin  
where you at?  
where you going?  
thats what i get when i pick up the phone  
not a hello or i miss you  
or the renaissnace how does it do?  
suspicious ones go few  
can stress out your brain  
in weighs on your mane  
and helps you peep game i thought it was me  
but then i could it see

i couldn't take it  
but the spell of love  
i couldn't shake it  
even though i would discover  
that there was somebody else  
it was your lover  
you gave me up  
and managed to turn the tables  
and all your honest words they turn to fables  
the things that you would accuse me of  
it seem were the things you were doin love

get it? these things you projected  
and i don't want to be affected  
but when you get in love  
its never easy love  
to make decisions of  
you've defected  
you were doin so much to try to pin me  
goin through all my stuff but it was empty  
answers, that im seekin  
well it seem im gettin close  
that im reachin  
and i was thinkin i had no reason  
callin you a culprit it was treason  
and the twinkle in your eye  
it was kinda not for love  
and tell me why?  
we'll make a mends if you admit it  
we can ascend if your committed  
your heart, is it in it?  
if it goes for many days  
sweet love can decay from you

its you  
at the end of it all it was you  
and at the end  
it was you  
at the end of it all it was you  
and the end  
its you  
its you  
at the end of it all its you  
its you  
its you  
at the end of it all
