Average Fruit

Down At the counter in his working suit He looked no more than the average fruit Not so many ways to get the clues Playing In a kindergarten during the day Filling empty bodies with toy clay Umi says you can surely tell by the shoes It's something that your heartbeats for Take me to your love Heartbeats The Oldest living member of his gang Fond of happy endings and the sound of a bang Not so many ways to get the clues He had A five o clock shadow and mos def shoes Acting like a showboat enough to light my fuse Umi says you can surely tell by their shoes It's something that your heartbeats for Take me to your love Heartbeats I like your heart I want to start
