

Jeans

Quadron

You got your slimfit jeans
And i got my junkie jeans

She got my baggy jeans
And i dont like tacky jeans

I'm into my own jeans
I'm into my own jeans

You got them 501's
And i got my own jeans

She's wearing hers with class

But she got them up her ass

I'm into my own jeans
I'm into my own jeans

She got them overalls
And keeps wearing them to balls

He got some hammer jeans
He want them by his knees
