

Just For You

Quarterflash

Some do it for love and some for less
Some do it for touch and tenderness
They do it for power and for control
They do it for money and for rock 'n' roll
Some people don't know why they do
But I, I know, I do it just for, just for

Just for you and nobody else
Just for you, baby, can't you tell
Just for you, you know what I mean
Just for you even in my dreams
Where I say "Talk to me, couchez-vous"
It's easy with you
I know what you need
I know what to do
Just for you

Some to heal and some to hurt
Some for thrills and some for dirt
Some to remember, some to forget
Some do it for anything they can get
Oh, some people don't know why they do
But I, I know, I do it just for, just for

Just for you in the night
Just for you, baby, dressed in white
Just for you, you know what I mean
Just for you even in my dreams
Where I say "Talk to me, couchez-vous"
It's easy with you
I know what you need
I know what to do
Just for you
