

## I Give Up

Quasi

They say hold on to your dreams  
That plays good on TV  
But never worked for me  
So now I need to find a way to occupy my time  
Until the day I die  
Cause I give up  
I give up  
It's gone so wrong, so long  
It's gone so wrong  
So wrong  
So long  
I give up
