

## Peace and Love

Quasi

Peace and love ain't no game  
Peace and love ain't no shame  
You never what you need  
In a world of fear and greed  
Peace and love, peace and love!

The monster meets his match  
Tear it down, start from scratch, ohhh

Peace and love ain't no pose  
She's not just some song you sing at shows  
Chained to the wheel  
Peace and love cut through steel  
Peace and love, peace and love!
