

Break The Dance Floor

Que

Tonight leave your cares
Outside the club, there's no room in here
Put your hands in the air
We're not leaving 'til the floor disappears
Tonight the walls the rooms or the windows
It's okay to lose yourself in the tempo
Cause we're gon' break the dancefloor

We gon' break the dancefloor
Cause we got something to dance for
So all my party people
Report to the dancefloor
We gon' break the dancefloor
Cause we got something to dance for
So all my party people
Report to the dancefloor

No regrets
The party like it's all last weekend
The lights
Just fades
And tell the DJ play this again
It's our playground tonight
And I got only one thing on my mind

We gon' break the dancefloor
Cause we got something to dance for
So all my party people
Report to the dancefloor
We gon' break the dancefloor
Cause we got something to dance for
So all my party people
Report to the dancefloor

Tonight we gonna walk 'til the A.M.
We're not leaving 'til the sun comes in
We gon' dance 'til nothing's left but [?]
Out on the floor
Out on the floor

We gon' break the dancefloor
Cause we got something to dance for
So all my party people
Report to the dancefloor
We gon' break the dancefloor
Cause we got something to dance for
So all my party people
Report to the dancefloor
