Break The Dance Floor

Tonight leave your cares Outside the club, there's no room in here Put your hands in the air We're not leaving 'til the floor disappears Tonight the walls the rooms or the windows It's okay to lose yourself in the tempo Cause we're gon' break the dancefloor

We gon' break the dancefloor Cause we got something to dance for So all my party people Report to the dancefloor We gon' break the dancefloor Cause we got something to dance for So all my party people Report to the dancefloor

No regrets The party like it's all last weekend The lights Just fades And tell the DJ play this again It's our playground tonight And I got only one thing on my mind

We gon' break the dancefloor Cause we got something to dance for So all my party people Report to the dancefloor We gon' break the dancefloor Cause we got something to dance for So all my party people Report to the dancefloor

Tonight we gonna walk 'til the A.M. We're not leaving 'til the sun comes in We gon' dance 'til nothing's left but [?] Out on the floor Out on the floor

We gon' break the dancefloor Cause we got something to dance for So all my party people Report to the dancefloor We gon' break the dancefloor Cause we got something to dance for So all my party people Report to the dancefloor
