

Too Late

Que

[Verse 1:]

Imagine waking up someday
Knowin you made a mistake
And there is nothing you can do
Or nothing you can say
And everything you had before
The love ain't there no more
You let it walk through the door
Leaves you with nothing to live for

I can feel the rain
Falling down on me
Since you left me
I had nothing but rainy days
I can feel the pain
Gotta have you back again
And girl I know that it sounds silly but I really miss you

[Chorus: x2]

Even though I missed you
I miss you
Wish I could kiss you,
Wish you
Even though it's too late,
Wanna say that I'm sorry baby

[Verse 2:]

And now I sit and contemplate
All the love that I had
Now I know it's much too late
Didn't relize wot I had
I had the perfect girl for me
The one you call your queen
And now I'm lonley
When it should be you and me

I can feel the rain
Falling down on me
Since you left me
I had nothing but rainy days
I can feel the pain
Gotta have you back again
I know that it might sound silly but I really, really miss you

[Chorus: x2]

Even though I missed you
I miss you
Wish I could kiss you,
Wish you
Even though it's too late,
Wanna say that I'm sorry baby

Girl I'm sorry, sorry girl I'm
Girl I'm sorry, sorry girl I'm

You used to love me
I was wrong for leaving you

I know it's easy for me to say
I know what your missing
Give me a second wait
To say I miss you

Too late
I know I know I know, I know

[Chorus: to fade]
Even though I missed you
I miss you
Wish I could kiss you,
Wish you
Even though it's too late,
Wanna say that I'm sorry baby
