

Beneath the Skin

Queen Adreena

Beneath the Skin a caustic red river
Beneath the Skin corrosive abuser
Beneath the Skin genetic in rupture
Beneath the Skin all cold and hungered
Beneath the Skin a still born forgiveness
Beneath the Skin cell transfer in whispers
Beneath the Skin a lover cries murder
Beneath the Skin all cold and hungered
Beneath the Skin i wasted this moment
Beneath the Skin old undiscovered
Beneath the Skin another lies ruptured
Beneath the Skin all cold and hungered
