## Join the Dots

## **Queen Adreena**

i join the dots and i post date this letter so cross out my name you'd do best to forget her collapse of synapse she can't tie her laces learn to forgive her forget her disgraces i join the dots and i brought shame upon you so cross out my name as i come to seduce you i join the dots and i cry insurrection the river runs through it she knows my defection expose her devises you knew all along the girl in the mirror she'll sing you a song i join the dots and i brought shame upon you so cross out my name as i come to seduce you i become you i join the dots and this river below me for i am the rain and i'm running down country reach out on a limb and i touched severed vein her breath in the mirror i'll cross out my name
