

Kitty Collar Tight

Queen Adreena

watch how i put it on
kitty collar tight!
make it sing its song
make it fight
make it fight, fight!
watch how i put it on
kitty collar tight!
make it sing its song
make it fight
make it fight, fight!
i hold your history
and i kiss the map
i'm looking back forwards
your tap drips, i...catch
watch how i put it on
kitty collar tight!
make it sing its song
make it fight
make it fight, fight!
watch how i put it on
kitty collar tight!
make it sing its song
make it fight
make it fight, fight!
your skin, my nails
your mirror, my face
your skin impaled
for your scars are my grace
watch how i put it on
kitty collar tight!
make it sing its song
make it fight
make it fight, fight!
watch how i put it on
kitty collar tight!
make it sing its song
make it fight
make it fight, fight!
watch how i put it on
kitty collar tight!
make it sing its song
make it fight
make it fight, fight!
make it fight
make it fight, fight!
make it fight
make it fight, fight!
make it fight
make it fight, fight!
make it fight
make it fight, fight!
