

Kill or be killed
I applaud it
Get away from me if you don't want it
Who could blame me?
Well you could maybe
I'm still in love with you and I'm black and blue
Naked Ruby cried
He fell onto the knife
Naked Ruby cried
He fell onto the knife
The hangman's daughter
Stockholm syndrome
Cut right through him
Let the light in
Kill or be killed
I applaud it
So get away from me if you don't want it
Naked Ruby cried
He fell onto the knife
Naked Ruby cried
He fell onto the knife
Your schizophrenia
A broken light bulb
Must let the light in
Get the truth told
Who could blame me?
You could maybe
I'm still in love with you and I'm black and blue
Naked Ruby cried
He fell onto the knife
Naked Ruby cried
He fell onto the knife
