

# Lioness On The Rise

Queen Ifrica

Prelude:

Are you ready, oo oo oo ooo (4x)

When the roll is called out, I'll be standing tall up  
To face the darkest and the hardest of times.  
We'll be taking care of, all the children thereof,  
But if it's required we'll be on the frontline.

Chorus

You can call me by my name  
I am ready to roll;  
Once the rules remain the same  
How the story's been told;  
Call me anytime, never cop out,  
Lioness is on the rise  
Don't you ever have doubt.

Never say never, willingness forever to fight, and be strong  
Once it's for better i'll every letter and moving right along  
And i'll roll with the punches, accept the changes;  
Work with the formula, do what I have to do.

Chorus

And call be by my name  
I am ready to roll;  
Once the rules remain the same  
How the story's been told;  
Call me anytime, never cop out,  
Lioness is on the rise  
Don't you ever have doubt.

When you are willing to serve, we have room to observe  
To see if you can walk the walk you talk.  
Let me give you my word, my voice must be heard.  
Bravery is the beast of my heart.

Chorus

Call be by my name  
I am ready to roll;  
Once the rules remain the same  
How the story's been told;  
Call me anytime, never cop out,  
Lioness is on the rise  
Don't you ever have doubt.
