

# I Know Where I've Been

Queen Latifah

There's a light in the darkness  
Though the night is black as my skin  
There's a light burning bright  
Showing me the way  
But I know where I've been

There's a cry in the distance  
It's a voice that comes from deep within  
There's a cry asking why  
I pray the answer's up ahead, yeah  
'Cause I know where I've been

There's a road we've been traveling  
Lost so many on the way  
But the riches will be plenty  
Worth the price, the price we had to pay

There's a dream in the future  
There's a struggle that we have yet to win  
And there's pride in my heart  
'Cause I know where I'm going, yes, I do  
And I know where I've been, yeah

There's a road we must travel  
There's a promise we must make  
But the riches will be plenty  
Worth the risk and the chances that we take

There's a dream in the future  
There's a struggle that we have yet to win  
Use that pride in our hearts to lift us up to tomorrow  
'Cause just to sit still would be a sin

I know it, I know it, I know where I'm going  
Lord knows I know where I've been  
Oh, when we win, I'll give thanks to my God  
'Cause I know where I've been
