

Guilt stains on my pillow  
Blood on my terraces  
Torsos in my closet  
Shadows from my past life is real  
Life is real, life is real, so real

Sleeping is my leisure  
Waking up in a minefield  
Dream is just a pleasure dome  
Love is a roulette wheel - life is real  
Life is real, life is real, oh yeah

Success is my breathing space  
I brought it to myself  
I will price it  
I will cash it

I can take it or leave it  
Loneliness is my hiding place  
Breastfeeding myself  
What more can I say

I have swallowed the bitter pill  
I can taste it, I can taste it  
Life is real, life is real, life is real

Music will be my mistress  
Loving like a whore  
Lennon is a genius  
Living in every pore

Life is real, life is real, life is real, so real  
Life is cruel  
Life is a bitch  
Life is real - so real
