All Dead, All Dead

 She came without a farthing A babe without a name So much ado 'bout nothing Is what she's try to say

So much ado my lover So many games we played Through ev'ry fleeted summer Through ev'ry precious day

R: All dead all dead All the dreams we had And I wonder why I still live on All dead all dead And alone I'm spared My sweeter half instead All dead and gone all dead All dead all dead At the rainbow's end And still I hear her own sweet song

- R1: All dead all dead Take me back again You know my little friend's All dead and gone
- 2. Her ways are always with me I wonder all the while But please you must forgive me I am old but still a child
- R2: All dead all dead But I should not grieve In time it comes to ev'ryone All dead all dead But in hope I breathe Of course I don't believe You're dead and gone All dead and gone
