Queen

1. I wake up
I feel just fine
Your face
Fills my mind
I get religion quick
'Cos you're looking divine
Honey you're touching something you're touching me
I'm under your thumb under your spell can't you see

R: If I could only reach you
If I could make you smile
If I could only reach you
That would really be a breakthrough - oh yeah

2. Breakthrough these barriers of pain
Breakthrough to the sunshine from the rain
Make my feelings known towards you
Turn my heart inside and out for you now
Somehow I have to make this final breakthrough
Now!

3. Your smile speaks books to me
I break up
With each and every one of your looks at me
Honey you're starting something deep inside of me
Honey you're sparking something this fire in me
I'm outta control
I wanna rush headlong into this ecstasy

R: If I could only reach you... (2x)

Breakthrough breakthrough
