

# Call Me

Queen

Call me if you need my love (my love, babe)  
Call me if you need my love  
Call me if you need my love  
Call me if you need my love  
Call me if you need my love  
Call me if you need my love

She lives in a luxury  
Apartment in the heart of town  
I live in the country and  
My house is tumbling down (ooh ooh)

Call me if you need my love  
Call me if you need my love  
Call me if you need my love  
Call me if you need my love

I met her in her neighbourhood  
I was just passing through  
One look was all I took, yeah  
One look or two (ooh ooh)

Call me if you need my love  
Call me if you need my love  
Call me if you need my love  
Call me if you need my love

You got my name, you got my number  
You got my number, you got my name  
Yeah, yeah, yeah

(Have mercy)

Now I'm gonna settle down  
Get myself a wife or two  
No more of this running around  
Like I used to do

Call me if you need my love, babe  
Call me if you need my love  
Call me if you need my love (oh, babe)  
Call me if you need my love  
Call me if you need my love (oh, babe)  
Call me if you need my love  
Call me if you need my love (oh, babe)  
Call me if you need my love
