

Coming Soon

Queen

Ooooooooooooo

Oh Oh Oh

I get some headaches when I hit the heights

Like in the morning after crazy nights

Like some mother in law in her nylon tights

They're always

They're always

They're always

They're always

Coming soon

Coming soon on the outside of the tracks

You take 'em

The same old babies with the same old toys

The neighbours screaming when the noise annoys

Somebody naggin' you when you're out with the boys

They're always

They're always

They're always

They're always

Coming soon

Coming soon on the outside of the track

They're always

They're always

They're always

They're always

Coming soon

Coming soon on the outside of the track

Coming soon

Coming soon on the outside of the track

Yeah yeah yeah
