

# Driven By You

Queen

Oh - everything I do I do for you, Oh yeah

We touch and you're afraid of me and  
We burn and now I'm at your feet  
High speed, but you know you're in safe hands  
Ooh, in the dark we make a brighter light  
From one spark to the horizon wide  
We trust, and together we tame the land, yeah

Oh you'd be forgiven if you think you're dreaming  
But we're working night and day to make a dream come true - yeah  
Everything I do is driven by you  
Oh - come on babe

Oh well it's tough to make a journey through  
The right stuff is dead ahead of you and me  
And you know we've still got time  
Hold on tight to the driving wheel  
This ride is really out of line  
Raw deal, but there's no other that's worth a dime

You know I love you but you drive me crazy  
Because you're saying all the things I want to say to you  
You say  
Everything I do is driven by you  
Everything we do, everything we do  
Everything we do, everything we do  
Everything we do is driven by you

Inner children lost their way  
Now they know the price you pay  
I'm holding on to life with you  
Because life without you just won't do

Driven by you  
You know I'm never going to know who's dreaming  
But we're working night and day to make a dream come true - yeah  
Everything I do is driven by you  
Everything we do, everything we do  
Everything we do, everything we do  
Everything we do, everything we do  
Everything we do, everything we do  
Everything we do, everything we do  
Everything we do is driven by  
Driven by  
Driven by you  
Oh - everything I do I do for you
