R: I was born to love you with every single beat of my heart
Yes I was born to take care of you every single day of my life

You are the one for me I am the man for you
You were made for me you're my ecstasy
If I was given every opportunity
I'd kill for your love
So take a chance with me let me romance with you
I'm caught in a dream and my dreams come true
It's so hard to believe this is happening to me
An amazing feeling coming through
