In My Defence

In my defence, what is there to say? All the mistakes we've made must be faced today It's not easy now, knowing where to start While the world we love tears itself apart

I'm just a singer with a song
How can I try to right the wrong?
For just a singer with a melody
I'm caugt in between, with a fading dream

In my defence, what is there to say? We destroy our love, it's our way We never listen enough, never face the truth Then like a passing song, love is here And then it's gone

I'm just a singer with a song...

Just a singer with a song How can I try to right the wrong? I'm just a singer with a melody I'm caugt in between, with a fading dream Caught in between, with a fading dream Caught in between, with a fading dream

Oh what on Earth, Oh what on Erath How do I try Do we live or die? Oh help me God Please help me!
