

Live Of My Life

Queen

Live of my life, you've haert me
you broken my life, a now you leave me
Live of my life, can't you see...
Bring it back, bringit back, I'm take it a way from me
because you don't nowm, what it means to me

Live of my life, don't leave me
you take my life, now desert me
Live of my life, can't you see...
Bring it back, bring it back, I'm take it way from me
because you don't now, what it means to me
You will remember and this is blown over
and everythinks all by the way
When I grow older, I will be there ret your side to remind you
How I still love you (I stiil love you)

Bach hurry bach, please bring it back home to me
because you don't now what it means to me
Love of my life, Love of my life, Ooch, Ooch, Ooch.
