- 1. You might believe in heaven
 I would not care to say
 For every star in heaven
 There's a sad soul here today
 Wake up in the morning with a good face
 Stare at the moon all day
 Lonely as a whisper on a star chase
 Does anyone care anyway?
 For all the prayers in heaven
 So much of life's this way
- R: Did we leave our way behind us?
 Such a long long way behind us
 Who knows when now who knows where
 Where the light of day will find us?
 Look for the day
- 2. Take heart my friend we love you Though it seems like you're alone A million light's above you Smile down upon your home Hurry put your troubles in a suitcase Come let the new child play Lonely as a whisper on a star chase I'm leaving here, I'm long away For all the stars in heaven I would not live I could not live this way
- R: Did we leave our way behind us?
 Such a long long way behind us
 Leave it for some hopeless lane
 Such a long long way such a long long way
 Such a long long way I'm looking for
 Still looking for that day
