

# Mother Love

Queen

I don't want to sleep with you  
I don't need the passion too  
I don't want a stormy affair  
To make me feel my life is heading somewhere  
All I want is the comfort and care  
Just to know that my woman gives me sweet mother love

I've walked too long in this lonely lane  
I've had enough of this same old game  
I'm a man of the world and they say that I'm strong  
But my heart is heavy, and my hope is gone

Out in the city, in the cold world outside  
I don't want pity, just a safe place to hide  
Mama please, let me back inside

I don't want to make no waves  
But you can give me all the love that I crave  
I can't take it if you see me cry  
I long for peace before I die

All I want is to know that you're there  
You're gonna give me all your sweet mother love  
Mother Love

My body's aching, but I can't sleep  
My dreams are all the company I keep  
Got such a feeling as the sun goes down  
I'm coming home to my sweet mother love

(Mother love)

(Mother love)

Day oh (day oh)

Day oh

Day oh

I think I'm going back to the things I learnt so well in my youth
