

My Love Is Dangerous

Queen

My love is dangerous dangerous my love is dangerous
Always makes you bleed always makes you bleed
Always makes you bleed love is dangerous

Don't follow in my footsteps you don't belong to me
You only make a mistake don't try and understand me
Don't try and understand me all I'm trying to say

My love is dangerous dangerous love is dangerous
Make everybody cry everybody cry
Everybody cry love is dangerous

Don't waste your time with loving love don't work for me
Don't try to show your feelings step carefully
Step carefully all I'm trying to say

My love is dangerous because I'm your enemy
Watch your step carefully
Cause I know I know I know I know I know me
Dangerous no can give no guarantee I'm your one day
ecstasy
Next day no

No go play fire with me fire dance for me
You no can take a pisstake
Don't go criticize me no go analyze me
All I'm trying to say

My love is dangerous because I'm your enemy
Watch your step carefully
Cause I know I know I know I know I know me
Dangerous no can give no guarantee I'm your one day
