

Princes Of The Universe

Queen

Here we are, born to be kings
We're the princes of the universe
Here we belong, fighting to survive
In a world with the darkest powers

Hey...
And here we are
We're the princes of the universe
Here we belong, fighting for survival
We've come to be the rulers of you all

Oh!
I am immortal
I have inside me blood of kings (Yeah, yeah!)
I have no rival
No man can be my equal
Take me to the future of you all

Born to be kings, princes of the universe
Fighting and free, got your world in my hand
I'm here for your love and I'll make my stand
We were born to be princes of the universe
No man could understand
My power is in my own hand

Ooh, ooh, ooh, ooh
People talk about you
People say you've had your day
I'm a man that will go far
Fly the moon and reach for the stars
With my sword and head held high
Got to pass the test first time, yeah
I know that people talk about me
I hear it every day
But I can prove them wrong 'cause I'm right first time
Yeah yeah

Alright, let's go, let's go
Yeh...watch this man fly
Bring on the girls

Here we are (here we are)
Born to be kings, we're princes of the universe
Here will we belong

Born to be kings, princes of the universe
Fighting and free, got your world in my hand
I'm here for your love and I'll make my stand
We were born to be princes of the universe
