Princes Of The Universe

Here we are, born to be kings We're the princes of the universe Here we belong, fighting to survive In a world with the darkest powers

Hey... And here we are We're the princes of the universe Here we belong, fighting for survival We've come to be the rulers of you all

Oh! I am immortal I have inside me blood of kings (Yeah, yeah!) I have no rival No man can be my equal Take me to the future of you all

Born to be kings, princes of the universe Fighting and free, got your world in my hand I'm here for your love and I'll make my stand We were born to be princes of the universe No man could understand My power is in my own hand

Ooh, ooh, ooh People talk about you People say you've had your day I'm a man that will go far Fly the moon and reach for the stars With my sword and head held high Got to pass the test first time, yeah I know that people talk about me I hear it every day But I can prove them wrong 'cause I'm right first time Yeah yeah

Alright, let's go, let's go Yeh...watch this man fly Bring on the girls

Here we are (here we are) Born to be kings, we're princes of the universe Here will we belong

Born to be kings, princes of the universe Fighting and free, got your world in my hand I'm here for your love and I'll make my stand We were born to be princes of the universe
