

# Put Out The Fire

Queen

They called him a hero  
In the land of the free  
But he wouldn't shake my hand boy  
He disappointed me  
So I got my handgun  
And I blew him away  
That critter was a bad guy  
I had to make him pay

You might fear for my reason  
I don't care what they say  
Look out baby its the season  
For the mad masquerade  
Put out the fire put out the fire put out the fire  
Oh you need a bullet like a hole in the head  
Put out the fire put out the fire put out the fire  
Don't believe what your grand-daddy said

She was my lover  
It was a shame that she died  
But the constitution's right on my side  
cause I caught my lover in the neighbour's bed  
I got retribution  
Filled em all full of lead

I've been told its the fashion  
To let me on the streets again  
It's nothing but a crime of passion  
And I'm not to blame  
Put out the fire put out the fire put out the fire  
You need a weapon like a hole in the head  
Put out the fire put out the fire baby put out the fire  
And let your sons and daughters sleep sound in their beds

You know a gun never killed nobody  
You can ask anyone  
People get shot by people  
People with guns  
Put out the fire put out the fire put out the fire  
You need a gun like a hole in the head  
Put out the fire put out the fire put out the fire  
Just tell me that old fashioned gun law is dead

Take it that far  
Come on  
Shoot shoot...
