## Save Me

1. It started off so well They said we made a perfect pair I clothed myself in your glory and your love How I loved you How I cried... The years of care and loyalty Were nothing but a sham it seems The years belie we lived a lie I love you till I die

- R: Save me save me save me
  I can't face this life alone
  Save me save me save me...
  I'm naked and I'm far from home
- 2. The slate will soon be clean
   I'll erase the memories
   To start again with somebody new
   Was it all wasted
   All that love?...
   I hang my head and I advertise
   A soul for sale or rent
   I have no heart I'm cold inside
   I have no real intent

R: Save me save me save me...

Each night I cry I still believe the lie I love you till I die

R: Save me save me save me Don't let me face my life alone...
