

# She Makes Me

Queen

1. I love she makes me  
She is my heart  
She is my love  
She is my love

2. I know you're jealous of her  
She makes me need  
She is my love  
She is my love

R: Who knows who she'll make me  
As I lie in her cocoon  
But the world will surely heal my ills  
I'm warm and terrified  
She makes me so

3. I know the day I leave her  
I'd love her still  
She is my love  
She is my love

R1: Who knows where my dreams will end  
I'll follow as they grow  
But the world will know  
How long I'll take  
And if I'm very slow  
She makes me so

She is my love  
She is my love
