

The Invisible Man

Queen

I'm the invisible man I'm the invisible man
Incredible how you can see right through me

When you hear a sound that you just can't place
Feel somethin' move that you just can't trace
When something sits on the end of your bed
Don't turn around when you hear me tread

I'm the invisible man I'm the invisible man
Incredible how you can see right through me
I'm the invisible man I'm the invisible man
It's criminal how I can see right through you

Now I'm in your room and I'm in your bed
And I'm in your life and I'm in your head
Like the CIA or the FBI
You'll never get close never take me alive

I'm the invisible man I'm the invisible man
Incredible how you can see right through me
I'm the invisible man I'm the invisible man
It's criminal how I can see right through you

Hah hah hah hello
Hah hah hah OK
Hah hah hah hello hello hello hello
Never had a real good friend - not a boy or a girl
No-one knows what I've been through - let my flag unfurl
So I make my mark from the edge of the world
From the edge of the world
From the edge of the world

Now I'm on your track and I'm in your mind
And I'm on your back but don't look behind
I'm your meanest thought I'm your darkest fear
But I'll never get caught you can't shake me shake me dear

I'm the invisible man I'm the invisible man
Incredible how you can see right through me
Watch me
I'm the invisible man I'm the invisible man
It's criminal how I can see right through you
Look at me look at me
