The Invisible Man

I'm the invisible man I'm the invisible man Incredible how you can see right through me

When you hear a sound that you just can't place Feel somethin' move that you just can't trace When something sits on the end of your bed Don't turn around when you hear me tread

I'm the invisible man I'm the invisible man Incredible how you can see right through me I'm the invisible man I'm the invisible man It's criminal how I can see right through you

Now I'm in your room and I'm in your bed And I'm in your life and I'm in your head Like the CIA or the FBI You'll never get close never take me alive

I'm the invisible man I'm the invisible man Incredible how you can see right through me I'm the invisible man I'm the invisible man It's criminal how I can see right through you

Hah hah hah hello Hah hah hah OK Hah hah hah hello hello hello Never had a real good friend - not a boy or a girl No-one knows what I've been through - let my flag unfurl So I make my mark from the edge of the world From the edge of the world From the edge of the world

Now I'm on your track and I'm in your mind And I'm on your back but don't look behind I'm your meanest thought I'm your darkest fear But I'll never get caught you can't shake me shake me dear

I'm the invisible man I'm the invisible man Incredible how you can see right through me Watch me I'm the invisible man I'm the invisible man It's criminal how I can see right through you Look at me look at me
