

These Are The Days Of Our Lives

Queen

1. Sometimes I get to feelin'

I was back in the old days - long ago
When we were kids when we were young
Thing seemed so perfect - you know
The days were endless we were crazy we were young
The sun was always shinin' - we just lived for fun
Sometimes it seems like lately - I just don't know
The rest of my life's been just a show

R: Those were the days of our lives

The bad things in life were so few
Those days are all gone now but one thing is true
When I look and I find I still love you

2. You can't turn back the clock you can't turn back the tide

Ain't that a shame
I'd like to go back one time on a roller coaster ride
When life was just a game
No use in sitting and thinkin' on what you did
When you can lay back and enjoy it through your kids
Sometimes it seems like lately - I just don't know
Better sit back and go with the flow

R1: These are the days of our lives

They've flown in the swiftness of time
Those days are all gone now but
some things remain
When I look, and I find, no change

Those were the days of our lives - yeah
The bad things in life were so few
Those days are all gone now but one thing's still true
When I look and I find
I still love you

I still love you
