

# White Queen

Queen

So sad her eyes smiling dark eyes  
So sad her eyes as it began

On such a breathless night as this  
Upon my brow the lightest kiss  
I walked alone  
And all around the air did sway  
My lady soon will stir this way  
In sorrow known

The white queen walks  
And the night grows pale  
Stars of lovingness in her hair  
Needing unheard pleading one word  
So sad my eyes she cannot see

How did thee fare what have thee seen  
The mother of the willow green  
I call her name  
And 'neath her window have I stayed  
I loved the foot steps that she made  
And when she came

White queen how my heart did ache  
And dry my lips no word would make  
So still I wait

My goddess hear my darkest fear  
I speak too late  
It's for evermore that I wait

Dear friend goodbye  
No tears in my eyes  
So sad it ends as it began
