

# In My Head

Queens of the Stone Age

It's the cruelest joke to play  
I'm so high, i run in place  
Only a line, we separate, so

I keep on playing our favorite song  
I turn it up while you're gone  
It's all i got when you're in my head and you're in my head so  
i need it

You're the only thing i've got that i can't seem to get enough  
We collide for one embrace, so

I keep on playin our favorite song  
I turn it up while you're gone  
It's all i got when you're in my head and you're in my head so  
i need it

I keep on playing our favorite song  
I turn it up while you're gone  
It's all i got when you're in my head and you're in my head so  
i need it

Hurry up, wait forever  
(Hurry up, wait for forever)

I keep on playing our favorite song  
I turn it up while you're gone  
It's all i got when you're in my head and you're in my head so  
i need it

I keep on playing our favorite song  
I turn it up while you're gone  
It's all i got when you're in my head and you're in my head so  
i need it

I need it  
I need it  
I need it now
