

## Run, Pig, Run

Queens of the Stone Age

When I was young  
We used to play the game called Hide & Seek  
Someone go hide, I count to ten  
You probably never played  
Instead you talked a game of sheep  
A skill you almost do perfect

Run...Pig...Run  
Here...I...Come

Woo Hoo Hoo....Run  
Woo Hoo Hoo....Run  
Woo Hoo Hoo....Run

I am no saint & Make no claims  
To being in the right  
It's just for now, I am wrong-less  
You're probably wondering  
With what to do, this has with you  
I wanna play the game you missed

Run...Pig...Run  
Here...I...Come

There Is no safe place  
There Is no safe place  
There Is no safe place to hide

Woo Hoo Hoo...Run  
Woo Hoo Hoo...Run  
Woo Hoo Hoo...Run
