

You Can't Quit Me Baby

Queens of the Stone Age

It's a mistake, but who knows
Followed you home, crawled in your window
This life is a trip when you're psycho in love
And I know

Followed your friends, you were not there
Slashed and I cut, I bled in the sink
Heard what you said and you're laughing baby
Slashed and I cut, and I do it for you
I want you to notice when I'm not around
Wherever you are

You're solid gold
I'll see you in hell
