

You Would Know

Queens of the Stone Age

We just happy robot
Live on hill of bean
You and I, cut from same cloth
Rippin' at the seams
Cut, snip, cut

Don't forget to remember
The devil's got pills in his eyes
Look, laugh, but don't touch
Cut you down to size
Cut, up, cut (shut up)
Cut, up, cut

You would know

My girl's all out of focus
It ain't no big surprise
Daddy got his gun loaded
Got crosshairs in his eyes
Shut, up, oh
Shut, up, oh

You would know

You would know
You would know
You would know, oh
You would know

But you would know, oh
You would know, oh
You would know, oh
You would know, oh
You would know, oh
You would know, oh
You would know, oh
You would know, oh
You would know, oh
You would know, oh
You would know
You would know
