

## For What It's Worth

Queensrÿche

There's something happening here  
What it is ain't exactly clear  
There's a man with a gun over there  
Telling me I got to beware  
I think it's time we stop, children, what's that sound  
Everybody look what's going down  
There's battle lines being drawn  
Nobody's right if everybody's wrong  
Young people speaking their minds  
Getting so much resistance from behind  
I think it's time we stop, hey, what's that sound  
Everybody look what's going down  
What a field-day for the heat  
A thousand people in the street  
Singing songs and carrying signs  
Mostly say, hooray for our side  
It's time we stop, hey, what's that sound  
Everybody look what's going down  
Paranoia strikes deep  
Into your life it will creep  
It starts when you're always afraid  
You step out of line, the man come and take you away  
We better stop, hey, what's that sound  
Everybody look what's going down  
Stop, hey, what's that sound  
Everybody look what's going down  
Stop, now, what's that sound  
Everybody look what's going down  
Stop, children, what's that sound  
Everybody look what's going down
