

Skinny (It's Overflowing)

Quicksand

I'm on the inside,
I'm on your side,
And each thought stings.

I can? think straight.
It? overflowing.
It? overflowing.
It? coming down.
It? overflowing.
It? sinking.
It? overflowing.

It? some savior,
you fall into.
And each love stings.
I can? think straight.

It? overflowing.
It? overflowing.
It? coming down.
It? overflowing.
I? sinking.
It? overflowing.
It? coming down.
It? overflowing.
It? sinking.
It? overflowing.
It? coming down.
