

## Freeway Flyer

### Quicksilver Messenger Service

I'm a freeway flyer and I'm down the open road. I keep on gettin'  
n' high, wonderin' how high can one man go?  
Well, I'm a dangerous stranger, I'm a psychedelic ranger,  
Now there's no place that I can't go, no no no, baby, no no no.  
I'm a freeway wrestler, I keep it to the floor,  
I'm an old guitar hassler, and I can always pick my way back h  
ome anywhere,  
Well, I'm a six-string rangler, I'm a twelve string strangler,  
And there's no place I can't go, no no no, babe, no no no.  
I'm a little girl pleaser, I always get my way,  
I'm an old sweet thing teaser, I'm gonna die and go to Hell som  
e day,  
Well, I'm a meat grinder, I'm a sweet spot finder, got a roll t  
hat the bank can't cash
